I have had a meeting since the last P&C regarding the management of the rebuild for our library.  As it stands the Program Manager was meant to be involved in every one of our previous meetings, and he was not.
They have agreed that all of the details outlined in the letter we sent are correct.
There is meant to be another meeting scheduled with the new Project Manager – Coffey Projects – which will be a 2-3 hour meeting to go over all the details.  I hope to have more information for you at our October P&C meeting.
Year 12:
Wednesday we have an 8am breakfast with them and then they are taken to a surprise location for the day.
Wednesday night is presentation night.
Thursday is their farewell assembly and Thursday night their formal.
Lisa:  I have sent an email out to P&C members regarding the parent survey.  It will take about 15 minutes to complete.
I can post the P&C minutes on the schools web page.
Jill:  The GCEA dinner was on last Saturday night.  It was well supported with around 200 people in attendance.  This night raises the funds to pay for Lachlan Gage (4 ½ days).
CAINNE: Delivered by Bronwyn Smith
Sally started work in the canteen last week. She is doing well considering the big change. Debbie has given her some training to get her up to speed.
Next terms specials menu is up.
Volunteers are down on certain days. We are going to need to really get the message out about getting new volunteer helpers into the canteen.
A write up can go in the Grapevine to ask for helpers.
Some new menu ideas for next term are: Moroccan chicken salad, Thai beef salad, Tabouli wraps – looking at doing more wraps and having ½’s available.
